Get To Know Pat Poppe!
Board Member, AFP Central Illinois Chapter

What is your current position, and how long have you been there?

I have been the Director of Public Relations and Development since April 1, 2004 (although I did assist the YWCA McLean County in the same capacity on a smaller scale from my home-based business from 1992 until late 2000). My previous work history includes GTE/Verizon (retired in 1991) and Illinois State University Conference Services (part-time as program coordinator).

What is your role with AFP, and how long have you been a member?

Currently, I am serving as an At-Large Board Member. I have been involved at various times since 1992, serving on the Board of Directors and as Treasurer.

Why/how did you get into fundraising?

While employed in the Corporate world, I was the person who “cleared donation requests” for forwarding to a Foundation for final review and approval. In other words, I served as the first point of contact for many non-profits. When I “retired” from the corporate world, I decided to try public relations, special event planning and fundraising from the other side of the environment.

Why have you continued to be in fundraising so long?

I like the challenges fundraising brings with it (believe it or not). I like the people I meet, get to know, and form friendships with, etc.

What is the best thing about your job?

I like working with various types of organizations and individuals.

Is there anything else you would like to share?

I was born in Pontiac, Illinois, graduated from Decatur High School, Decatur, Indiana, attended Illinois State University and graduated from Saint-Mary-of-The-Woods College, Saint-Mary-of-The-Woods, Indiana. My husband Wayne and I have two daughters and six grandchildren (two boys and four girls). We are fortunate that all live in Bloomington/Normal.

The experience and knowledge I've gained through my association with AFP has been great! The meetings, workshops, etc. have been extremely valuable beyond words and a critical aid in increasing my fundraising knowledge.

45th AFP International Conference on Fundraising
